PROJECTS

Travelora – Tourism website

Travelora is a tourism website that allows users to book tours, explore attractions, and rent vehicles, featuring sections like Hero, Attractions, Tour Plans, Gallery, and Contact Us for easy trip planning.

- Tools & Technologies: Figma, Design

NexaTech – Tech Devices Website

A clean, modern UI design with easy navigation, smart product filters, secure checkout, and a responsive layout, ensuring a smooth and user-friendly tech shopping experience.

- Tools & Technologies: Figma, Design

GLOW BEAUTY – Beauty Products Website

A clean, vibrant UI design for skincare shopping with easy navigation, smart filters, detailed product views, and a smooth, secure checkout, all enhanced by responsive design and soft, visually appealing branding.

- Tools & Technologies: Figma, Design

Aesthetic coffee shop website

Focused on a smooth, welcoming user experience using elegant typography, soft shadows, and a balanced modern layout to create a cozy, coffee shop-like digital feel.

- Tools & Technologies: Figma, Design
